# Monkey TEACHER

## Hello...

Hi, my name is Nadia Valverde, and I am the Lead Teacher of the Monkey's Classroom (early 2's). I have had the pleasure of working with 2-year olds for the last 16 years. I truly enjoy watching them grow and develop. My goal is to provide a positive and nurturing environment as they take small steps towards independence. I completed my TOC in Early Childhood Education from Lanier Technical College in August 2013. I have two daughters, Angel who is engaged and Arianna. Ms. Nadia has been with SSA since SSA opened and she was our 1<sup>st</sup> ever Teacher of the Month!
