

Meet Your

Elephant TEACHER

Hello...

Hello! My name is Evelin Carrasquero. I was born in Caracas, Venezuela. I have been married to Ernesto for 33 years and we have 2 daughters, Daniela and Gabriela. In my free time, I enjoy listening to music, dancing, and spending quality time with my two granddaughters. I began my career in childcare as a volunteer for the Ladies Association in the Navy where my husband was a Venezuelan Navy Officer. The Ladies Association of the Navy is a nonprofit organization that among other activities is dedicated in caring for young children of employees and military personnel. In 2006, our family moved to the United States and I began working in a daycare. I wanted to increase my knowledge and professional career so I got my Child Development Associate Degree. Over the last 28 years, this profession has fascinated me and I see myself doing this for many more years to come.
