

Meet Your

Bird TEACHER

Hello...

Hi! My name is Brenda and I am the Lead Teacher in the Baby Bird Class. I have been part of the Stepping Stones family for over four years and I have my Associates in Child Development. I graduated from Roswell High School before starting my career here at SSA. I have a daughter named Sofia and a boy Victor. I love teaching babies and watching them as they grow and meet many milestones while they are in my care.

Ms. Brenda
