# Lion TEACHER

## Hello...

Hi there! My name is Patty and I'm thrilled to be a part of the SSA team for 5 years now. I've been working here for five years now and I'm passionate about education. I'm fluent in both English and Spanish and I received my Associates in Child Development. I absolutely love teaching children and seeing them grow and progress. As a mom of three myself, I understand the importance of a nurturing and supportive environment for children. I can't wait to have your child in my class this year and create unforgettable memories together. My goal for the Lions class is to provide a safe, loving, and educational space where your child can thrive.
