

# Meet Your

# Penguins TEACHER

## Hello...

My name is Stephanie, I am the lead teacher in the Penguins class. I started working at SSA when I was in high school as a floater. Now I have my Associates in Child Development, and for 3 years now I have been a lead teacher. I love when the kids see me in the morning and give me a giant smile and when a child meets their milestones and develops their little personalities. I really enjoy taking pictures through Tadpoles so that the parents can see all the fun things we are doing during the day. I am excited for another wonderful year.

Assistant Teacher: Ms. Michelle & Ms. Rose

Ms. Stephanie

## Birthday

October 3rd
