

Meet Your

Monkey TEACHER

Hello...

Hello! My name is Giselle Galvan. I was born in Mexico and moved to Georgia in 1995. I am married to Gabriel and together we have four children that attend SSA. I have been part of the SSA team since almost the very beginning! I have worked with all different ages at SSA, which I believe has given me the experience necessary to be well-rounded teacher. Along with my daycare experience, and being a mom myself, I also have an Associates Degree in Child Development. My ultimate goal is to continue to create a loving and nurturing environment in the Monkey Class. I want SSA to be a second home to families and their children.

Assist. Teacher: Ms. Jenny
Assist. Teacher: Ms. Ana
