# Owl TEACHER

## Hello...

Hi! I'm Ms. Maeghan. I am the Lead Teacher in the Owls. I started at SSA in 2017 in the Fox Class. I am so excited to move downstairs and work with the Owls. I have worked with children for 14 years and counting. I have my Child Development Associate Degree. I have three amazing children. Two boys in grade school and a little princess who has joined her big brothers. I love working with children and watching them grow and learn new things everyday!
