

# Meet Your

# Fox TEACHERS

## Hello...

Greetings! My name is Jonie Villacorta. Originally from Philippines; I've made Roswell my home since 2002. I have taught at Stepping Stone for 4 years and I have my Associates in Child Development. I enjoy working with this age group and helping them grow. Everything from potty training, to budding social skills, and other developmental skills. I'm passionate about helping my Foxes succeed in school, and I've learned that love and laughter are the best tools to use in class. I'm thrilled to be your teacher, and I'm looking forward to meeting many milestones together!

Assistant Teacher: Ms. Maria
