# Giraffe TEACHER

## Hello...

Hi! My name is Carina. I was born and raised on the beautiful island of Puerto Rico. I got my first job when I was 15, babysitting a 16 month old. I really enjoyed my experience with her and watching her reach many milestones. It was the most magical 3 years! In that time I discovered what I love and what I am really good at. Although I really enjoyed the infant stage I loved teaching older children. I consider myself really creative, loving, caring and really passionate when it comes to teaching kids. I am looking forward to using my experience from previous work and my degree to teach my Giraffes all the skills they need to be ready for pre-k. I am a wife and a mom of three wonderful children, Diana 4, Leo 2 and my wonderful step daughter Leya 13. I started at Stepping Stones Academy in February of this year and really enjoyed my experience working alongside Ms. Jonie. I am looking forward to taking from our experience working together creating lots of fun activities and adding to it in my own classroom. I can't wait to see what this year has in store for me and my students!
