TEACHER

Hello...

Hello! My name is Keila and I am the lead in the Baby Lambs Cass. I was born in Puerto Rico and lived there many years before moving to Georgia six years ago with my son, Adrian. We have really fallen in love with our experiences here so far and I feel very fortunate to have found SSA. I have a Bachelors Degree in speech therapy. I love bringing my experience to the Lambs class where they are always singing, doing sign language, and learning Spanish.
