TEACHER

Hello...

I am Gabriela Moronta. I was born in the city of Maracaibo, Venezuela. I graduated as a Preschool teacher in 2006. I have been working with children since I was 17 years old!! I am married to a financial consultant Diego Fuenmayor, and we have 3 beautiful children, lovely 7 year old twins, Victoria and Valentina, and my little Thomas. I came to the United States 7 years ago and to this great SSA family for 4 and a half years I am honored to belong to this team where we educate with love and dedication. I love creating a fun environment full of creativity for children full of enthusiasm, with the interest of continuing to expand their training, and the concern to motivate our little ones, always looking for the best for them and their future.
