

Meet Your

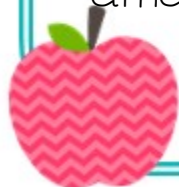

Rhino TEACHER

Hello...

I am the Lead Teacher of the Rhinos Classroom. I have had the pleasure of working with 2-year olds in the Monkey classroom for the last 7 years. I was excited to move into an older classroom where I can watch them grow and develop. My goal is to provide a positive and nurturing environment as they take small steps towards independence. I have two amazing daughters.

Assistant Teacher: Ms. Jasmine

Ms. Lyanne

Birthday

January 17th
